

**MISTWOOD MONTESSORI SCHOOL**  
**PARENT QUESTIONNAIRE - APPLICATION**

Thank you for your interest in our school and your decision to have your child placed on our waiting list! Please answer the following questions, to the best of your ability, so that we can begin to get acquainted with your family. Thank you very much!

1. How did you hear about our school?
2. What knowledge of Maria Montessori's philosophy and method of education do you already have?
3. Why are you attracted to Montessori education for your child?
4. Our Montessori program is composed of mixed-age groups of children ages 3 – 6 years old. The program includes the kindergarten year. The children remain together for several years, building close relationships with their teacher, classmates, and classroom. The children develop at their own pace in a non-competitive, carefully prepared learning environment. All three age groups are very important to the success of the Montessori experience. Are you able to be committed to a 3 year program for your child? Do you have any questions about this 3 year cycle?
5. How would you briefly describe your child's personality?
6. What are the most important goals that you have for your child while attending Mistwood Montessori School?
7. Is there anything else you would like us to know about your child, at this time?
